Tell about a great Christmas present you received?

What is the favorite gift you've given?

How can we graciously accept a gift without thinking of reciprocity?

In what ways are we spiritually like Mepibosheth (See 2 Samuel 9)?

When are we more like the Pharisee and when more like Tax Collector?

How can we become more “childlike” in our giving?

Ephesians 2:8 Makes it clear we are given life—what is our response?
