What do you think Jesus means in Matthew 6:20 when he says to store up treasure in heaven?

Tell about a time you had to try and please two bosses or where you had conflicting loyalties.

Jesus plainly says, Matthew 6:24 “You cannot serve both God and money (self interest)”. Why do you think this is true or not?

Why do you agree or disagree with this statement: “To half serve God is to fully serve the devil?”

How are material possessions deceitful?

What makes us try and stand in the middle and how can we stop attempting to serve two masters and choose one?
