How do you think God is most misrepresented or misunderstood?

Hebrews 12:1 and Jesus' story of the sower in Matthew 13 mention things that entangle. What are some of the entanglements you've noticed or experienced?

In Amos and especially chapter 5, there are some people who seem very religious but are in big trouble, why?

In what ways have you found the church to be:

A place of freedom...A place of restriction.

A place of equality...A place of pecking order

A place of reality...A place of pretense

A place of acceptance...A place of exclusion

A place of evenhandedness...A place of injustice

A place of righteousness...A place of sinfulness

A place of energy...A place of tiredness

A place of love...A place of apathy

How can you tear down idols and be good news to the world?
